Dr.Gl Dutta Dav public school
Matriculation- 89.2%

Patna,India
May 2018

SKILLS

Languages: C++, SQL
Web Technologies: HTML, CSS
Frameworks/Libraries: React.js
Concepts: Object-Oriented Programming, Data Structures and Algorithm

INTERNSHIP

Codemithra Ethnus — August 2023– November 2023

- Developed dynamic UI components using React.js for a real-world web application project under industry mentorship.
- Built reusable components following modular design and best practices in React functional programming.
- Used React Hooks (useState, useEffect, etc.) to manage component state and side effects efficiently.
- Learned and applied key concepts like props drilling, component lifecycle, and conditional rendering in React.
- Enhanced performance by optimizing rendering and component loading times in React.

PROJECTS

Farm Management System | (React) — April 2025

- Developed and maintained responsive and dynamic user interfaces using React.js for a Farm Management System web application.

Online Books Library | (HTML, CSS, JavaScript) — December 2024

- Developed a fully functional React-based user interface for browsing, searching, and viewing books in an online library.

EXTRA CURRICULAR

Hindi Club — July 2023– Dec 2024
Team Member

- Strengthened communication, event management, and teamwork skills through active involvement in planning and execution.
- Participated in and helped organize poetry recitations, debates, and elocution competitions in Hindi.

ACHIEVEMENTS

- Earned a gold medal in an interstate school cricket competition, competing against eight teams from schools across the state and demonstrating exceptional skills throughout the tournament.

HOBBIES

- Sports (Cricket)
- Community service
- Gaming
- Travel
- Listening to music
